REGISTRATION

- The registration email must contain the participant informations : name, first name, country, age, education and contact information.
- The participant must send his/her photo with the characteristics of the phone or camera with which he/she took the photo.
- Registrations can only be done online via the link photo@turkiyemaarif.org

PARTICIPATION CRITERIA

- **Secondary school students can participate in the competition.**
- Each participant can participate in the competition with only one (1) photo.
- Participants are free to express themselves as they wish, provided that they do not go beyond the framework of the theme and objective determined for the competition.
- The participant certifies that he/she is the author of the submitted photo, that the photo does not belong to anyone else and that it was taken during the pandemic.
- Photos which previously participated in other national and international competitions and different versions of these photos with different framing cannot participate in the competition; failure to comply with the rule will result in the withdrawal of the prize even the participant is among the winners.
- The structure of the photo must not have been modified. Photographs created by the montage of more than one photograph, adding any object that is not in the original photograph or removing any of the existing objects are not accepted for the competition; if so, the rule violation procedure will be applied against the participant.

- Simple interventions such as reframing, color, contrast, light corrections can be done without exaggeration. The jury will decide. If the jury decides that there has been advanced intervention, it will be considered as a rule violation. Turkish Maarif Foundation may request the original unedited photo from the participant.
- Turkish Maarif Foundation reserves all copyrights on all the photos.
